

## COVID 19 Scheduling Program

1. When you opt-in to the service, we will send you an SMS message to confirm your signup.
2. This service will be used to confirm your COVID 19 test appointment. We will also send you a reminder 24 hours before and the morning of your test. The text will also contain a link to download a QR code to speed up the testing process and update your information or cancel your appointment. We will also send you a message when your results are ready.
3. You can cancel the SMS service at any time. Just text "STOP" to the short code. After you send the SMS message "STOP" to us, we will send you an SMS message to confirm that you have been unsubscribed. After this, you will no longer receive SMS messages from us. If you want to join again, just sign up as you did the first time and we will start sending SMS messages to you again.
4. If at any time you forget what keywords are supported, just text "HELP" to the short code. After you send the SMS message "HELP" to us, we will respond with instructions on how to use our service as well as how to unsubscribe.
